EMERGENCE

The iMIS Ecosystem is Entering a New Era

The association technology landscape is evolving rapidly. Organizations are investing more deeply in data, automation, member engagement, and digital transformation.

For the first time, ***the entire iMIS ecosystem is coming together in one unified event.***

EMERGENCE merges the Advanced Solutions International iINNOVATIONS Conference and the iMIS Users Group Annual Conference to create the largest gathering of iMIS users, partners, consultants, and technology providers.

For organizations serving the association community, this is where the future of the ecosystem will take shape.

About Us

Emergence brings two groundbreaking conferences into one transformative experience. Merging the Advanced Solutions International (ASI) iINNOVATIONS conference and the iMIS Users Group (iUG) Annual Conference will facilitate a space where collaboration sparks innovation and new possibilities take shape. Emergence is more than a conference. It's a catalyst for growth. Join us as we redefine what is possible with iMIS, explore new strategies to empower your mission, and accelerate your organization's path into the future.

Our Vision

To create a unified, collaborative experience where the iMIS community comes together to spark innovation, share knowledge, and shape the future of the iMIS ecosystem.

Our Mission

To connect iMIS users and partners through meaningful education, collaboration, and discovery that empowers organizations to maximize the value of iMIS and advance their missions.

EMERGENCE

Where innovation sparks discovery.

Why Sponsor?

EMERGENCE brings together the full iMIS ecosystem for the first time in a unified experience, connecting iMIS users, Authorized iMIS Solution Providers (AiSPs), Authorized iMIS Consultants (AiCs), and technology partners in one powerful setting.

Sponsors gain direct access to an audience actively seeking solutions, insights, and strategic partnerships to help their organizations grow and succeed.

More than a traditional conference, EMERGENCE is designed to create meaningful moments where discovery turns into conversation, collaboration turns into partnership, and connections turn into long-term business opportunities.

If your organization serves the association community, **this is where your brand needs to be.**

VALUE SNAPSHOT!

EMERGENCE offers sponsors direct access to one of the most engaged communities in the association technology space.

What makes this audience valuable:

- 225–300 highly engaged iMIS professionals
- 70% association professionals actively managing membership, fundraising, events, and operations
- Direct access to technology decision-makers and influencers
- 2.5 days of exhibitor engagement time
- Opportunities to build long-term partnerships within the iMIS ecosystem

At EMERGENCE, sponsors aren't just gaining visibility — they are building relationships with organizations actively investing in technology, strategy, and innovation.

EMERGENCE

Where innovation sparks discovery.

How Sponsors Connect with Attendees

Sponsors connect with attendees through a variety of structured and organic engagement opportunities including:

- Exhibit hall networking
- Sponsor speed networking sessions
- General session recognition
- Event mobile app visibility
- Sponsored educational webinars
- Targeted marketing before and after the event

Number of Exhibiting Hours:

3-4 days
(day 4 is optional)

Number of Exhibitors:

20 - 30

What Makes the iMIS Community/Our Attendees Unique

Most conferences attract association professionals using many different AMS platforms. That means only a small portion of the audience may actually be your ideal customer.

EMERGENCE is different.

Through the iMIS Users Group, sponsors gain direct access to a highly targeted audience already invested in the iMIS ecosystem.

What makes this audience so valuable:

- **100% iMIS-focused community** – not a mix of multiple AMS platforms
- **Highly engaged users** actively seeking tools, integrations, and services
- **Decision-makers and technology leaders** responsible for system strategy
- A collaborative community that **shares solutions and adopts innovation quickly**

EMERGENCE

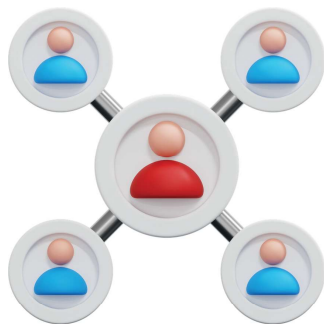

LIMITED SPONSORSHIP OPPORTUNITIES

To ensure meaningful engagement between sponsors and attendees, the number of sponsorship opportunities is intentionally limited. In addition, **all vendor and AiSP, AiC and consultants must purchase a sponsorship package to receive a ticket to attend or permit staff attendance.** A minimum of at least one complimentary registration is included in your sponsorship package. Sponsoring will also enable your coworkers to attend the event at the user rate - no higher rates will apply.

This creates a focused environment where partners receive greater visibility and stronger connections with attendees.

-  Spark Level Sponsorship Package **Limited Availability**
-  Ignite Level Sponsorship Package **10 Available!**
-  Catalyst Level Sponsorship Package **10 Available!**
-  Visionary Level Sponsorship Package **ONLY 6 Available!**

Sponsor Packages

EMERGENCE sponsorship is more than brand placement, it is a strategic partnership opportunity. Whether you choose to Spark new connections or lead as a Visionary Partner, each tier is intentionally designed to expand your reach, elevate your influence, and align your organization with innovation, leadership, and the continued growth of the iMIS community.

SPARK - Package

You're here to spark new connections and introduce your brand to engaged iMIS professionals ready to discover fresh solutions. As a Spark Sponsor, you ignite initial awareness while helping us fuel meaningful conversations across the community.

\$1,500

IGNITE - Package

You don't just show up — you ignite momentum. As an Ignite Sponsor, your brand becomes part of the energy driving EMERGENCE forward, helping accelerate innovation while positioning your organization as a trusted partner to forward-thinking iMIS users.

\$3,500

CATALYST - High Impact Package

Catalysts create transformation. As a Catalyst Sponsor, you actively drive progress within the iMIS ecosystem - elevating your brand as a strategic force while helping shape deeper collaboration, smarter strategies, and stronger community growth.

\$5,500

VISIONARY - Extreme Impact Package

Visionaries don't follow trends — they define what's next. As our highest-level partner, you align your brand with leadership, innovation, and long-term impact, helping shape the future of the iMIS community while gaining premier visibility and influence among decision-makers.

\$8,500

YOUR BRAND EXPOSURE!

Additional Branding Opportunities

iMIS Users Group events bring together the most engaged iMIS decision-makers in one powerful setting... but what about all of the other events and advertising opportunities available through iUG?

Add-Ons give you premium visibility, stronger brand positioning, and more meaningful touchpoints before, during, and after the event.

If you want more than just a logo placement - if you want attention, traffic, and follow-up conversations, these enhancements are where the real momentum happens.

The brands that stand out are the ones that lean in.

Additional EMERGENCE Add-Ons Available

iUG offers a wide range of high-impact branding opportunities designed to help you stand out and connect with the right audience. Below you'll find details and pricing for each available option. Have a creative idea or want to explore a custom activation? Let's talk. Reach out to Michele Morgan and we'll brainstorm how to make your brand shine
